

Why Choose Knot Theory?

Knot Theory is a pioneer in silicone rings. We created the very first non-bulky silicone rings, the first elegant slim band for women, and the first gold and silver silicone rings. We are constantly innovating and refining.

Our passion is to provide you with the most comfortable and sophisticated silicone ring. This passion drives every design angle, curvature, and color hue we choose.

We use only high quality hypoallergenic silicone with extra flex, so your ring is extra comfortable to wear.

Today, millions of loyal Knot Theory fans reside all around the world, as we continue to innovate and bring you the best.

About Your Stackable Ring Trio

Expert color-matched to give you the most gorgeous and versatile color combinations as trios, duos, and singlets.

Braided ring angled for the most natural and beautiful twist. With detailed molds, we've minimized the flashing. If you notice a line, please give it some time to diminish.
